

ATTENTION VISITOR
VISITOR SAFETY PROTOCOL
Dakota Integrated Systems
St. Louis Division

- All visitors are expected to sign in and out of the building daily; this ensures accountability in the event of an emergency.
- No smoking except in designated areas (located at the rear and front employee entrances).
- Safety glasses are required in the plant with the exception of restroom, offices and the lunchroom.
- Chemicals and other hazardous materials brought into the building must first be approved by the Environmental Health & Safety Coordinator.
- Those visitors performing work that may adversely affect the environment must disclose those activities to the Environmental Health & Safety Coordinator or designee to ensure proper controls are maintained, as to minimize the impact on the environment.
- Remain on designated pedestrian aisles in the plant and be observant of forklift traffic.
- If evacuation is required you will hear **an audio** alarm. Evacuate the building using the nearest exit and proceed to the rally points designated on the posted evacuation maps. Visitors should contact your guide during any emergency, to ensure you are accounted for.
- If severe weather requires taking shelter, you will be notified by **an audio** alarm. Everyone should report to the designated shelters located throughout the facility (posted evacuation maps). Again, visitors should remain with their host.
- Proper attire – Business casual, no open toe shoes or sandals are allowed.
- **EMERGENCY Contact Personnel: HR Manager EXT-7407.**
- Have a pleasant and safe visit with us.
